

## Tennessee Underground Storage Tank Act

To view or download the Tennessee Underground Storage Tank Act, go to Michie's Legal Resources website. This site contains the most recent and up to date version of the State laws governing underground storage tanks. The Tennessee statute is TCA § 68-215-101. Tennessee State statutes may be viewed on this site and as they change on occasion, visitors are encouraged to visit these pages often for the latest version.

The link is <http://198.187.128.12/tennessee/lpext.dll?f=templates&fn=fs-main.htm&2.0>

Click the link (in blue underlined text) and you should be taken to the Michie Legal Resources website. If that doesn't work, copy and paste the link in your internet browser window.

When you get to the website, type **68-215-101** in the SEARCH window at the top of the page if it is not already displayed there and click GO.\_\_\_\_\_

This should open the window on the right where you can read the statute. You can also print or download the law from this site.
